WEEKLY UPDATES
10-17-16

1. Day 7 of Lesson 2 to be this Wednesday, October 19th. That means that students will take the spelling test for unit 1 lesson 2 and all other assessments (comprehension, vocabulary and decoding) that go with the unit.

2. Students will also have a quiz on the location of the continents, oceans, Prime Meridian, and Equator. They will also need to know the different hemispheres and their own address, including zip code. This Quiz will be this Friday, October 21st.

3. HELP! I need two more chaperones for our Henry Ford field trip on November 7th. If interested, please let me know by Wednesday the 19th. If I do not get volunteers, I will use extra parents from the other classrooms.

4. I would like to congratulate the following students who have reached the WINNER'S CIRCLE by demonstrating responsibility in the classroom and have gone beyond average and are consistent demonstrating leadership. (Jazmine, Lachell, Braydon, Kayla, & Shane) Keep up the great driving!

5. As 4th grade students, we are learning to be responsible. One way we work on this skill is to take care of our own Halloween Party. This means that parents will not be needed in the classroom. Parents are welcome to come watch the parade. I am asking that each child donate $2.00 to cover the cost of goodies which I will take care of purchasing. Please send in the $2 in an envelope or zipper bag with your child's name on it. This is to ensure if it's lost, it can be returned to the proper owner. Money is needed by Friday the 27th of October.

6. Some students continue to have difficulty remembering to complete their work on time. PLEASE help your child be successful by ensuring they have their work completed, done and turned in.

Competing work but leaving it at home is not considered completed. When one or two children do not have their work in class, it hinders the entire class.

Have a great week and please contact me if you have any questions or concerns.
